

Citizenship Principles

Corporate citizenship at TI is a commitment to accountability for our social, environmental and economic impact around the world. Our core values of integrity, innovation and commitment serve as the foundation for all that we do. [Code of conduct](#)

Business practices

Foster a culture of ethical business practices and legal compliance; manage risks and business continuity; engage stakeholders and ensure transparency on our practices and performance. [Business practices statement](#)

Product stewardship

Develop products with quality, reliability, and ecological and social considerations.

Environmental responsibility

Operate efficiently and conscientiously to conserve resources and protect the environment. [Environmental, safety and health policy and principles](#)

Supply chain diligence

Collaborate with suppliers to source responsibly, reduce costs and improve efficiency.
