

**Application to Use Texas Instruments Incorporated
UNIVERSAL SERIAL BUS VENDOR ID**

Subject to certain conditions, Texas Instruments Incorporated (TI) may permit you to use TI's Universal Serial Bus Vendor ID (VID) and may assign to your product a Universal Serial Bus Product ID (PID). To receive approval to use TI's VID and to receive your assigned PID, you will need to submit this application, and, upon approval of your application, sign an agreement with TI. Please provide the following information in order for TI to process this application. Once your application has been submitted, you will be contacted by a TI representative to further process this request.
