The image includes a table with the following columns:

- Column 1: Code
- Column 2: Description
- Column 3: Part No.
- Column 4: Description

The table appears to be a list of parts with codes and associated descriptions. Additionally, there are boxes labeled with codes like PAC102, PAC101, etc., which seem to correspond to the table entries.

A handwritten note in the image reads: "ALL ARTWORK REVISED FROM TOP SIDE."

The image also contains a reference to a 'Dr313 Drawing' with a plot date of 02-26-2018, generated by Texas Instruments.
