TI-RSLK MAX
Texas Instruments Robotics System Learning Kit
Module 1

Activity: Running code on the LaunchPad using CCS
Activity: Running code on the LaunchPad using CCS

Question 1
Start a Debug session
Prepare a program to be debugged

Question 2
EnergyTrace
Experience the EnergyTrace feature of CCS. Why is EnergyTrace important?
What is the significance to designing a system?

Question 3
TI-RTOS
Experience the TI-RTOS. Load in an example TI-RTOS project to your LaunchPad.

Question 4
TExaSdisplay Logic Analyzer
Experience the TExaSdisplay Logic Analyzer. What is the use of a logic analyzer in debugging a system?

Question 5
Drivers
Why is it important to have proper drivers installed when trying to work with a development kit?
IMPORTANT NOTICE AND DISCLAIMER

TI PROVIDES TECHNICAL AND RELIABILITY DATA (INCLUDING DATASHEETS), DESIGN RESOURCES (INCLUDING REFERENCE
DESIGNS), APPLICATION OR OTHER DESIGN ADVICE, WEB TOOLS, SAFETY INFORMATION, AND OTHER RESOURCES “AS IS”
AND WITH ALL FAULTS, AND DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION ANY
IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OF THIRD
PARTY INTELLECTUAL PROPERTY RIGHTS.

These resources are intended for skilled developers designing with TI products. You are solely responsible for (1) selecting the appropriate
TI products for your application, (2) designing, validating and testing your application, and (3) ensuring your application meets applicable
standards, and any other safety, security, or other requirements. These resources are subject to change without notice. TI grants you
permission to use these resources only for development of an application that uses the TI products described in the resource. Other
reproduction and display of these resources is prohibited. No license is granted to any other TI intellectual property right or to any third
party intellectual property right. TI disclaims responsibility for, and you will fully indemnify TI and its representatives against, any claims,
damages, costs, losses, and liabilities arising out of your use of these resources.

TI's products are provided subject to TI's Terms of Sale (www.ti.com/legal/termsofsale.html) or other applicable terms available either on
ti.com or provided in conjunction with such TI products. TI's provision of these resources does not expand or otherwise alter TI's applicable
warranties or warranty disclaimers for TI products.
