

# Read Me

This compressed file contains BSDL files for Texas Instruments AM570x devices.

The relevant BSDL file for each silicon revision of AM570x has been placed in a separate directory. Refer to the following table to determine the appropriate directory name.

Silicon Revision	TI Part Number	Directory Name
2.0	AM570xAABC	SR2_0
2.1	AM570xBABC	SR2_1

## Revision History

Version	Description	Date
*	Initial Version	November 2017
A	Pins in alphabetical order, package fixed to represent CBD package instead of ABC package, unsupported peripheral pins removed (vout1_*, mcasp2_aclkr/fsr, ddc1_ecc)	February 2018
