Notice

This is a proprietary system of Texas Instruments Incorporated (TI) or its licensors. This system is for the use of authorized users only. Individuals using this system are subject to having all of their activities on this system monitored and recorded in order to verify that they have appropriate authority and do not use this system for any inappropriate or unlawful purpose. Anyone using this system expressly consents to such monitoring. If monitoring reveals unauthorized, inappropriate or possible unlawful activity, system personnel will provide information derived from such monitoring to TI management or outside legal authorities, as appropriate. Misuse of this system may result in revocation or limitation of an individual's access to this system in addition to any other appropriate remedies. Misuse of this system by TI employees may result in disciplinary action, including termination.
