**Acceptance of Order** - Purchase Orders by the Buyer shall not create a contract between Buyer and LT until such acceptance of Purchase Orders is formally acknowledged and accepted in writing by LT. All new accounts are additionally subject to a credit review by LT's accounting department. In order to expedite the acceptance of orders for new customers, LT also accepts Credit Cards. Please contact your Inside Sales Representative for further information.

**Prices** - Prices are FOB LT's facility in Tampa, FL and are subject to change without notice at any time prior to acceptance of Buyer's Purchase Orders. Final acceptance will be based on review of LT's active Quotation and Buyer's Purchase Order. Prices are exclusive of all sales, use, excise or other taxes. LT reserves the right to charge the Buyer for any tax due but not billed at the time of delivery.

**Delivery** - Quoted delivery dates are estimates based on the backlog at time of Quotation. Delivery times confirmed at Order time might differ. Please contact your Inside Sales Representative to confirm Delivery Dates. Delivery Dates are also subject to unavoidable delays caused by conditions beyond LT's control. Under no circumstances shall LT or any affiliate, have any liability whatsoever for loss of use or for any direct, indirect or consequential damages as a result of a delayed delivery.

**Terms of Payment** - Normal Terms of Payment are Net 30 from invoice date unless otherwise stated in LT's invoice.

**Tooling Terms** - 50% down - balance due after first article inspection.

**Order Changes** - All requests for changes to previously accepted Purchase Orders must be submitted to LT in writing. All deliveries scheduled within 4 weeks from the Buyer's request for change are firm unless accepted by LT in writing.

**Cancellation** - Buyer must contact LT prior to canceling any orders. All orders cancelled within 4 weeks from scheduled ship date, are subject to 100% cancellation fee. In the case of Blanket Orders, a cancellation of an undelivered portion of the Order might result in a retroactive price increase based on the overall quantity difference.

**Returns (Non-Quality)** - All LT's products that meet the accepted Purchase Order specifications, are non-returnable. LT reserve the right to allow from time to time returns with a restocking charge for specific customer accommodations. In such instance, LT will issue an RMA number for product return. The Buyer must make all claims for defects or non-compliance in writing to LT, within 90 days of receipt. LT will at times require samples for verification of non-compliance. LT will then issue Buyer an RMA number for the return of the non-compliant product. The RMA number must be present on all packaging materials and accompanying documents. LT will, at it's own discretion, replace or rework the non-compliant product. LT will make every effort to return product to the Buyer that meets the accepted Purchase Order specifications within the fastest reasonable manufacturing time. LT is not liable for any damages or additional expenses resulting from non-compliant material or delayed replacement. LT's liability is limited to the value of the products delivered to buyer.

Payment of these NREC does not constitute the transfer of any title of any manufacturing or assembly tooling or equipment to the Buyer unless specifically stated in the Quotation from LT. All NREC's constitute a charge for the labor in modifications in equipment necessary for the manufacture of parts based on Buyer's specifications.
