Certificate of RoHS/ELV Compliance

Coilcraft hereby confirms that the products listed hereafter meet the requirements of the RoHS (2011/65/EU Directive) and ELV (2000/53/EC) Legislation and its amendments on the restriction of the use of certain hazardous substances in electrical and electronic equipment. The use of Mercury, Cadmium, Lead, Chromium VI, PBB and PBDE, Deca BDE or the following listed Phthalates BBP, DEHP, DBP and DIBP per Directive (EU) 2015/863, in any materials used to construct this assembly, or any of its components, does not exceed the maximum concentration values specified, except in exempted applications.

Coilcraft product does not contain Dimethylfumarate (DMF) per Directive 2009/251/EC. Coilcraft products do not use Red Phosphorous, Asbestos, PAH's or Radionuclides and comply with the Montreal Protocol for ODS.

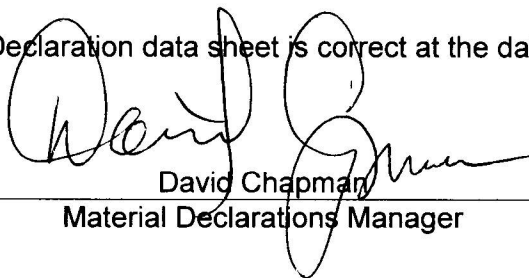

This is to certify that the components indicated below comply with current Coilcraft advertised dimensional and electrical specifications.

Customer: Mistral Solutions (for Texas Instruments)

Part Number: XAL4020-152MEB, XFL4020-222MEB

Comments: RoHS Compliant without exemption

All information contained in the Material Declaration data sheet is correct at the date of signature.
